Dear Sir or Madam:

Thank you for your inquiry regarding the purchase of political advertising on radio station KSEV.

As you may know, the Communication Act of 1934, as amended, and the implementing rules and regulations of the Federal Communications Commission ("FCC"), regulate the sale of time to legally qualified political candidates.

In order to clarify our political broadcasting policies, to protect the legal rights of candidates and the station alike, to avoid confusion and misunderstanding concerning our political advertising policies and to comply with the requirements of the applicable statutes and regulations, radio station KSEV has adopted certain policies and procedures with respect to the sale of political advertising which are set forth in the enclosed Political Advertising Disclosure Statement. Please read the Disclosure Statement carefully and familiarize yourself with it. All sales of advertising time to legally qualified candidates for public office, or their representatives, are subject to the terms and conditions set forth in our Disclosure Statement.

We make every effort to comply with all provisions of the Communications Act and the FCC's rules and regulations regarding political advertising. If you believe that a practice or action taken by KSEV is not compatible with legal requirements, please advise us of your concerns as quickly as possible. We will arrive to resolve your concerns in a prompt fashion.

We make every attempt to insure that the rates we quote for "uses" of the station by legally qualified candidates for public office are consistent with all provisions of law and policy. If you believe that we have made an error in our rate computations, please advise us of your concerns so that we may address them promptly. The FCC has ruled that it has exclusive jurisdiction to resolve disputes over political advertising rates on broadcasting stations, subject to judicial review. *Exclusive Jurisdiction With Respect to Potential Violations of the Lowest Unit Charge Requirements of Section 315(b) of the Communications Act of 1934, as amended*, 6 FCC Rcd 7511 (1991), recon. denied, 7 FCC Rcd 4123 (1992), pet for rev. dismissed, *Miller v. FCC*, 66 F.3d 1140 (11th Cir. 1995), cert. denied, 116 S. Ct. 1543 (1996). See also, *Wilson v. A.H. Belo Corp.*, 87 F.3d 393 (9th Cir. 1996). In the event of a dispute which we cannot resolve, we will join you in a call to the appropriate office at the FCC where we can resolve any differences.

Candidates and their agencies may be asked to confirm that the candidate is legally qualified or that particular advertisements are controlled, approved, or sponsored by the candidate. Agencies may be requested to demonstrate proof that they are the authorized representative of the candidate they claim to represent. Also, we may require that advertising be pre-screened to confirm that it contains a "use" by a legally qualified candidate, that it is of the appropriate length, and that it contains the legally sponsorship identification. Such screening will not be used to address the contents of such advertising, as it is our policy not to censor candidate advertising.

In order to confirm your receipt and understanding of the political advertising policies of KSEV, please sign and date the attached "Acknowledgement of Political Broadcasting Policies" as the authorized agent and representative for your candidate, and return it to the KSEV radio account executive. The second copy is for your records.

Sincerely,

A handwritten signature in cursive script that reads "Bonny English". The signature is written in dark ink and is positioned above the printed name.
